Announcing:

Watershed First

[Watershed First](#) is your chance to be one of the first organizations to introduce a new capability that will let you learn things about your company that you never thought possible. Be among the first to get our focused attention, our substantial time investment, our particular expertise, and a boatload of publicity in the e-learning industry.

We're accepting 6 leading-edge companies to be part of [Watershed First](#).

Thank you
